

Westchester County Volunteer Firefighter's Association 118th Convention & 69th Parade

June 20, 2024

Dear Friends, Departments, & Guests,

I wanted to update everyone on the status of our convention and parade. We are doing things a little differently this year! The 69th Westchester County Volunteer Firefighter's Parade will be hosted by the Ossining Fire Department, **on August 2nd, 2024, at 7:00 p.m.** It will be out-going Chief Stanley Scarduzio's last parade, and we thank Chief Scarduzio and the Ossining Fire Department for stepping up to host. **No new parade invite will be sent out.** If you have any questions about the parade, please contact the Ossining parade committee at (914) 941-0215.

The Millwood Fire Department will host the Westchester County 118th Convention Meeting on **Friday, September 13th, 2024** in celebration of their 100th Anniversary. The convention meetings have historically been on a Thursday night, we hope a Friday night will draw more people to attend the convention and training session. The speaker will be David Morkal, FDNY Lieutenant (Retired), his topic is something everyone should hear. At the end of the meeting, I will turn the gavel over to our new incoming President Donald J. Farrell of the Ossining Fire Department.

In addition to hosting the convention meeting, Millwood is planning a spectacular celebration on Saturday, September 14th, 2024. More details to follow! We will post information and times as they become available on our Facebook page and website, wcvfaweb.org. If you or your organization have not signed up for our website, go to wcvfaweb.org, member's area, and sign up. You will be automatically notified when events are posted on Facebook and the website.

If you have any questions about any of these events, please feel free to contact me. I hope to see you at the parade, training, and meeting. I have also enclosed a Journal Ad Form for our convention journal. Thank you in advance for your support.

All the best,

Angela M. Outhouse
President
Westchester County Volunteer Firefighter's Association
